## **2. Student Advising**

Each UMT student is assigned an academic advisor.

An academic advisor can help students with:

- Planning and completing their academic program
- Course registration
- Academic guidance
- Understanding departmental expectations
- Monitoring academic progress
- Career planning
- Understanding internships and professional opportunities
- Planning thesis or other degree-completion experiences

Students are encouraged to know their assigned academic advisor and seek guidance when needed.

---

## **3. Learning Resource Centre (LRC)**

The UMT Learning Resource Centre provides learning, research and information services to students, faculty and researchers.

### **Library Services**

- Book lending
- Reference assistance
- Research assistance
- Information searching support
- Document delivery
- Photocopying
- Scanning
- Research consultations
- Learning Commons
- Digital learning resources

Registered participants with a valid UMT ID can use library lending services according to applicable borrowing privileges.

---

## **4. Library Membership**

Library membership is required to use library services.

There is **no registration fee** for LRC registration.

UMT students, permanent faculty members and staff members can register for library membership.

The UMT Student/Employee Card is used for library services; a separate library membership card is not issued.

---

## 5. Learning Commons

The Learning Commons provides students with a collaborative space for group discussions, projects and academic support.

A group can consist of **4 to 8 students**.

Students can reserve a **45-minute slot**, with a maximum of **two slots**. An extension may be requested when there is no reservation for the following slot.

---

## 6. Digital and Online Learning Resources

UMT's library provides access to digital learning resources, including:

- E-books
- E-journals
- Online databases
- Research resources
- Library catalogue
- Digital library services

Authorized UMT users can access certain digital resources remotely through the university's supported access system.

---

## 7. Scholarships and Financial Assistance

UMT provides different forms of scholarships and financial assistance to support students.

These include:

- Need-based financial aid
- Merit scholarships
- Alumni scholarships
- Remote area scholarships
- Kinship discounts
- Corporate group discounts

Students should check the current scholarship requirements and eligibility criteria before applying because requirements can vary by scholarship program.

---

## **8. Financial Wellness Support**

The Financial Wellness Centre provides financial guidance and resources to students.

Services include:

- Financial literacy and counselling
  - Scholarship and need-based aid guidance
  - Emergency assistance
  - Flexible payment plan guidance
  - Merit award advisory
  - Support related to paid internships and teaching assistant opportunities
- 

## **9. Student Success and Peer Tutoring**

UMT provides academic support through peer tutoring and other student-success initiatives.

The Peer Tutoring Program connects students with high-performing UMT students who can provide subject-specific academic support and guidance.

This can help students improve their understanding, academic performance and study skills.

---

## **10. Student Help Desk**

The SSI Help Desk provides support to UMT students and their families.

Students can seek help regarding:

- Academic matters

- Financial concerns
- Personal concerns
- Emotional well-being
- University transition
- General student support

The help desk is intended to provide students with a central point for questions and assistance throughout their university journey.
